MASTER BUILDERS' ASSOCIATION.

Will Open Exchange and Entertain Guests.

The Builders' Exchange will be formally inaugurated by the Master Builders' Association Wednesday, February 19th. At the special meeting of the association Wednesday evening, there was passed a resolution providing for the formal opening and the presentation of an especial invitation to the officials of the Territory and all others having business with builders, to be present upon the occasion.

The association has 66 members, outside of the 12 architects who are associated with it, and there are more than a dozen firms which are expected to take part in the affair later, which will run the membership close to 100. E. W. Beardstee, chairman of the executive committee, introduced the following resolutions which provided for the opening session of next week:

Resolved, that a meeting of the regular, honorary and special members of this Association be held Wednesday, February 19th, 1932, at 12:30 o'clock p. m., in the Builders' Exchange room, second floor of the Elite Building, for the purpose of formally inaugurating the Builders' Exchange feature of the Master Builders' Association of the Territory of Hawaii.

Resolved, that the Governor, the Secretary of the Territory, the Superintendent of Public Works, the Assistant Superintendent of Public Works, the editors of the Honolulu papers, and the architects and civil engineers of the city be invited to attend said meeting and meet the members of the Exchange, and that an invitation to attend said meeting be given through the public press to all persons engaged in business through which they have dealings with master builders.

The rooms of the association are in the Elite building and have been specially refurnished and at the opening there will be luncheon and music and other features of the reception. The hours will be those of the exchange, from 12:30 to 1:30 o'clock, and from that day the regular operations of the exchange will occupy the same hours. Invitations will be issued, which will be as a special souvenir for this occasion, and making the opening event a memorable one in the annals of the building trades in this city.

Association Football

The Maile Ilimas and Honolulu will play Association football at Makiki tomorrow afternoon, beginning as usual, and the game should be the best of the season, for so far neither eleven has suffered defeat. The Honolulu will be handicapped by the loss of Soper and McMichael, both of whom are temporarily out of the game on account of sickness and injuries. The teams will probably be as follow:

Honolulu—Goal, Andrews; backs, Gleason, Harvey; halves, Parib, Kay, M. Anderson; forwards, McWhirter, Glas, Goudie, Hiltz, Fiddes.

Maile Ilimas—Goal, Fenwick; backs, Anderson, McGill; halves, Craik, Brown, Anderson; forwards, Munro, Lapsdale, Boyle, Cummings, Bolster.

British Admiral is Honored.

LONDON, Jan. 29.—Vice Admiral Sir Harry Rawson, who was commander of the channel squadron from 1893 to 1901, has been appointed Governor of New South Wales. This is the first time in history that the Government has appointed an admiral to a colonial governorship, which had long been a sore point with the navy.
